BID Camborne Manager: Mel Martin

Mel Martin, BID Manager & George le Hunte, BID Chairman.

Welcome to the first edition of BID Camborne News for you the BID levy payer. I have been in post since late April, setting up the company, meeting partners and levy payers, compiling information about the BID area and developing projects. I look forward to meeting and working with many more of you over the coming months and years. Camborne is a great town, one of the biggest in Cornwall and I am delighted to be working on your behalf to promote what we have to offer.

Introducing the Directors

13 voluntary Directors are now in post, but there are still 2 Director vacancies open to levy payers wishing to play a more active role. The next board meeting is 18th September. If you would like to become a Director of BID Camborne, please contact Mel Martin, BID Manager via mel@cambornecando.co.uk.

Our First Project: Free children's activities!

Generating more activities in Commercial Square and supporting Camborne Produce Market were two of the most popular projects with those levy payers who responded to consultation during the BID Camborne development.

Therefore, working with Camborne Regeneration Forum who have kindly funded the activities, BID Camborne will put on FREE children's activities in Commercial Square every Friday in August to attract families.

An advert will be in the West Briton on 2nd August and a downloadable poster can be emailed to you for your business window to display. We will also get some posters printed, if you would like one of these please let me know via mel@cambornecando.co.uk.

Your help to promote BID Camborne activities to bring greater footfall into our town would be very much appreciated.
