- 12 BID Business directory*

In this new guide we have listed all the businesses in BID Camborne, a December event diary plus some very Special Offers just for you.

We have invested in new Christmas lights throughout town this year. Christmas 2012 is one of the first major BID Camborne projects, making our town a better place for both local people and visitors to enjoy.

Come and see the new lights and support your local businesses. Don't forget that you may park for free after 4pm daily in Rosewarne Car Park and for free all day Sunday too. Most of our town centre streets allow a free 30 min stay as well.

BID Camborne would like to thank Camborne Town Council, Cornwall Councillors, Camborne Regeneration Forum, and Camborne Chamber of Commerce, for their funding support for Camborne at Christmas 2012.

We wish you all a very happy Christmas and a prosperous 2013.

*'We' are Camborne Business Improvement District,
all of the businesses of the town working together.*

Best wishes for Christmas 2012 from the Mayor of Camborne, Councillor Jean Charman

I am really looking forward to Christmas in Camborne this year. The Lantern Parade on 20th December promises to be better than ever. It is lovely to see the children carrying their lanterns through the streets of our town creating a magical Christmas scene - the Samba Band compliments this to create a party atmosphere. This year we will have a true Cornish finish with Truro Pipes and Proper Job. The Christmas Lights are set to be exceptional thanks to BID Camborne funding from the businesses in our town.

Glynis Charlesworth, Chair of Camborne Chamber of Commerce, wishes everybody a very Merry Christmas and a Happy New Year.

'When we arrived in Camborne in 2005 Alan and I knew only two people, who were relatives, and we'd never owned a business. Whilst creating Cross Street News, we were invited to a Chamber meeting. We joined and have not looked back since. It has been of great benefit, enabling us to make new friends, network with other business people, and learn a lot about business.'
